**"ROYALE WITH CHEESE"**  
**BEATBOARDS**

ROAR! Grunt tries to scare a pedestrian on the bridge.

Scheme explains that business is slow and Grunt is just overeager.

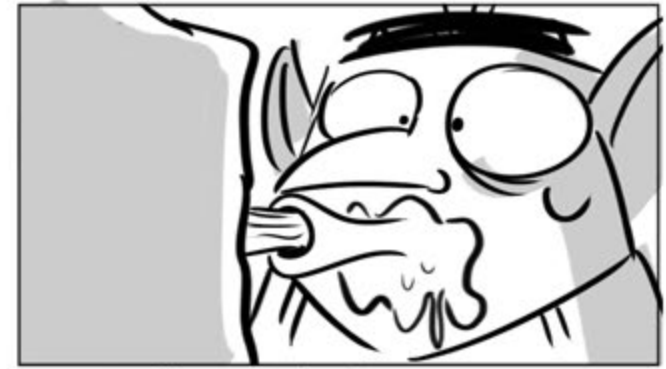

The pair are offered a job, out of pity, at a local fast food chain.

The two begin work at "Royal Cheese"

Scheme begins prepping the meat for cooking.

Grunt drains the grease trap

Scheme explains the benefits of cooking "low and slow"

Grunt dips one individual fry at a time...

...without the use of a basket.

Guy complains about long wait times, threatens to fire the duo.

more coals = hotter fire = shorter cook times

Grill bursts in flames. Grunt mistakes bucket of grease for a bucket of water.

kitchen explodes into flames!

The two run away!

Guy needs help escaping, pleading with Trolls

The two run away!

They're safe

Guy drags himself to safety. Fires the two

immediately.
